File No. 38 of 1924

From the Mysore, letter No. C. 61 dt 24-25 dt 28-7-25 | 6 Serial No.

Reports on the petn of Annapoornamma praying that interest on the deposit of Rs 12,000 should not be paid to Doubi Narayana setty; and recommends that as the minor Chandrashekharaiah is about to become a major, the payt of interest may be deferred —

25 A brief history of the endowment in question is given in the Mys: Govt's letter.

26. Minor Chandrashekhara setty, who is in his 17th year and who will attain his majority within a few months, is the natural son of Doubi Narayana setty, who has hitherto drawn the interest on the endowt and is been managing the chattram, and the adopted son of Annapoornamma the daughter-in-law of the donor. This means that the donor's daughter-in-law has adopted the donor's daughter's son -

27 In the (unpurged) preamble to G.O. Nos. 1822-4/ Mys 740-08 dt 26-1-1910 accepting the deposit offered by Veeraiah setty, it is stated that the interest on the deposit may be paid to the donor during his life-

~~and his uncle's grandson. In para 4 of the order~~, the interest was directed to be paid to the donor, until further orders.

P' 28 In Lr o No. 2326-8/Mis 453-17-2 of 14-3-1918, the interest was directed to be paid to Dr. K Narayanaswamy on behalf of the minor.

29 Since Annapurnamma, the adoptive guardian mother of the minor, has now objected to the payt of the interest to Dr. K Narayanaswamy on the score of mismanagement of the chattram, the Mis: Commr. recommends that payt of interest may be deferred till the minor attains majority, which is stated to be in a few months. It is also reported that the present chattram expenditure is being met out of the monthly rent realised from the portions of the chattram let out; and that no action with regard to change of manager appears to be called for.

The D.C. who inspected the chattram on 16-3-25, recommends payt of outstanding interest.

30 Subt for. orders as to whether the action proposed to be taken may be approved & the records returned.

31 In the D.C's letter para 5, it is stated that as the Asst Collr has reported that there is no gross irregularity or mismanagement in the conduct of the trustee

no enquiry under sections 8 & 11 of the Mun: Regn appears to be necessary as indicated in the Rev: Secretary's Letter No 275/Mug 38-24-2 of 22-8-24 forwarding the petn of Annapurnamma.

32. It is also reported that though over ample time, Annapurnamma has not chosen to pay the additional amount of Rs 13,000 towards the deposit amount, as proposed by the Donor.

33. Petn of Annapurnamma 8/7/25 sent to the M.C. with letter No. 123 & 7(7) 25 (5[illegible] 5) dated [illegible]

34 31. The donor's intention in opening the amt as a charitable deposit on favorable rate of interest was to arrange for pujas, naivedya & deeparadhane in the temples built within the premises of the Chatram, and also to feed Brahmans & Vaisyas residing in the Chatram. The Mug Com[r] says that the present cost incurred in the Chatrams is only Rs 29-8-0 which is met out of the monthly rent realised from the portions of the Chatram rented out.

of whom Chandrasekhara deft may be one. There is thus no good feeling between the adoptive mother & the adopted son, and this want of good feeling between them is not conducive to the good management of the charities.

57 There seems to be much force in what Chandrasekhara deft says. It cannot be said that the properties could not yield a sum of Rs 2000 per year to be given to the charities as originally stipulated by the donor, and Annapurnamma's failure to fulfil this part of the undertaking is sufficiently serious mismanagement. The feeding of Brahman & Vysya students has been stopped for a long time, and she did not at all try to rectify this defect.

58 Chandrasekhara deft now says that he who has all along been a minor & has just attained his majority will be handicapped in respect of his properties in case the Rs 13,000 in court is taken away by the Mar dept, as the amt forms a family account for

Sir,

With reference to your letter No. 276/ M.F. 38-24-2 dated the 22nd August 1924 forwarding for enquiry and report of the action taken in the matter of the complaint from Mrs. Annapurnamma against the management of the Chattram built by Polepalli Narasimhiah Setty of Bangalore City near the City Market, I have the honour to forward herewith a copy of letter No. C. 3- O. C. 2214/24-25 dated the 30th June 1925 received from the Deputy Commissioner, Bangalore District, stating that he inspected the Chattram and found that the Charities were conducted but the accounts maintained by Donti Narayan Setty were not altogether free from irregularities and recommending that the outstanding interest on the deposit may be ordered to be paid to Donti Narayan Setty.

A deposit of Rs. 10,000/- offered by Narayan Setty was accepted under Charitable Endowment rules in Government Order No. 1822-4/ M.F. 740-08- 2 dated the 28th January 1910 with permission to deposit a further sum of Rs. 15,000/- making in all Rs. 25,000/-. The donor was permitted to draw the interest on his endowment and to manage the Charities maintaining regular accounts.

After the death of Narasimhiah Setty on 2nd February 1912 the interest was not drawn till the end of 30th June 1925. The interest accrued till then, was added on to the corpus of the Fund making it Rs. 12,000/- . Government in their Order No. 2236-8/ muz 453-17-2 dated the 14th March 1918, having obtained the approval

of the donor's daughter-in-law, Mrs. Annapurnamma, the present complainant and the adoptive mother of the minor heir authorised by the Comptroller to Government, to pay the interest on the sum of Rs. 12,000/- to Donti Narayan Setty , the natural father of the minor heir and also the son-in-law of the donor. But now the daughter-in-law has begun to complain against the management and she has gone to the length of issuing through the Counsel a notice protesting against the payment of the interest to Donti Narayan Setty.

In view of these circumstances and the fact that the minor heir attains majority in a few months, the payment of interest may be deferred. Moreover it is seen from the records that the accounts show that the expenditure in the Chattram is only Rs. 39-8-0, and this is met out of the monthly rent of Rs. 43/- realised from the portions of the Chattram let out.

No action with regard to change of management seems to be called for now

All the connected records and the Lawyer's notice are herewith submitted for kind perusal and return.

&&&&&&&&&&&&&&&&&&&&&&&&

In continuation of my D. O. No. O.C. 2214/24-25 dated the 5th January 1925 re: the mismanagement of the Chattram built by Polepalli Narasimha Setty at Siddicutte, Bangalore City, I have the honour to state as follows :-

2. One Mr. Polepalli Narasimhiah Setty and his brother Narayanaswamy Setty constructed a chattram near the market, Bangalore City in the compound of which a temple was also constructed, installing therein the following idols:,

1. Sri Subbrahmanya swamy,
2. Sri Lakshmi Narayana Swamy,
3. Sri Anjaneya Swamy,

and 4. Navagrahas.

After the death of Narin Swamy Setty, his brother Narasimha Setty in order to make permanant arrangements for the up-keep of the chattram and regular puja in the temple and for feeding Brahmins and vysias offered an endowment of Rs10,000/- which was accepted by the Government in their Order No. 1822-1 Muz. F. 740-08-2 dated the 28th January 1910. The Government also permitted the donor to deposit a sum not exceeding Rs25,000/- in instalments of even thousands of Rupees and the donor was also permitted to draw the interest and manage the affairs himself, regular accounts being maintained and sent to Government Officers.

3. The donor O. Narasimhia Setty died on the 2nd February 1920 and his son Visvamurthy is also dead. The surviving legal heir is one Chandrasekhara Setty, a minor, whose adoptive mother Annapurnamma daughter-in-law of deceased Narasimhiah Setty, is the natural and testamentary guardian of the minor, who is in his 17th Year and will attain his ~~age~~ majority within a few months.

Ever since the death of the donor, his son-in-law, Donti Narayan Setty has been managing these charities and the interest on the endowment was being disbursed to him. Interest was not drawn in certain years and this was added to the Corpus of the Fund and the

erd the total sum now at the credit of fund is ₹ 12,000/-

4. An enquiry into the management of the charities was se on the application dated the 17th June 1924 from Annapurnamma who alleged that Donti Narayan Setty is mismanaging the charities and prayed that he might be removed from the managership and that she might be appointed as sole manager till her adopted son came of age and attained majority with two others as trustees, She also stated that she would produce the balance of ₹ 13,000/- to make up the sum of ₹ 25000/- as promised by the donor Narasimhiah Setty.

5. As perb Government Order No. 2326-8/ MUZ 453-17-2 dated the 14th March 1918 the interest is being paid to Donti Narain Setty. As regards the other allegations contained in the petition of Annapurnamma, the Amildar whoheld an enquiry into the matter and examined th accounts and heard both partied repots that Donti Narain Setty has mixed up the accounts relating tc the charities with his private accounts, making verification difficult, that the accounts are not altogether free from irregularities and adds that worship and other services are, however , regularly conducted that the arrears due toy the archak and servants have been paid and that there is no gross or persistent mismanagement as alleged by the petitioner , Annapurnamma. As the Amildar reports that there is no gross irregularity or mismanagement in the conduct of th charities no enquiryvunder sections 8 and 11 of the Muzrai Regulation appears to be necessary as indicated in Revenue Secretary's letter No 276 Muz 38-24-2 dated the 22nd August 1924 forwarding the application of Annapurnamma.

6. I inspected the chattram and temple on 6th March 1925 and checked the accounts thereof before the petitioner Annapurnamma, Donti Narayan Setty and others and made enquiries into the matter,

I recommend that Donti Narain Setty may be paid the outstanding interest for the lat half year after obtaining tha usual report and accouts about the administration of the charities and that for the future payment of interest special orders may be obtained.

7. About the additional sum of ₹ 13,000/- still due to make up the sum of ₹ 25,000/- promised by the late founder, the petitioner Annapurnamma was given ample time to produce the amount as undertaken by her in her subsequent petition to this office but up-to -date she has not chosen to do so . As regards the future management of the charities the petitioner Annapurnamma may be given her requests an endorsement that if she pays the promised donation of ₹ 13,00/- her requests will be taken into favourable consideration.

entire file of records ~~x~~ ending with Bangalore Sub-Division Officer's No. M. C. 68/24-25 dated the 10th January 1925 together with the petitions Annapurnamma is enclosed for reference and return when done with.

Honored Sir,

In continuation of my previous petitions, I beg leave to submit this further representation of mine with the fullest hope that it will receive your best consideration and early orders:-

ST
14/7

The founding of the chattram and allied charities by the late Mr.P.Narasimhaiya Chetty in Siddapatte, Bangalore City, are facts well known to you and no recapitulation is needed here. The several petitions submitted to you and to the Deputy Commissioner and the Amildar which are contained in the records go fully into the matter and they will surely convince you of the mismanaged state of affairs of the charities by Danti Narayana Setty and the justice of my claim to be put in possession of the chattram, temple etc. It is really a stroke of misfortune that no orders should have been passed and that the charities should still continue to be mismanaged. I now learn that on the representations made by D. Narayana Setty, the Deputy Commissioner has been pleased to order that the payment of half-yearly interest on the endowment may be continued to be paid to him, pending the disposal of the broader question relating to the management of the charities. To say that D.Narayana Setty has not the means to continue the charities in the event of the non-payment of the interest is a perversity of facts and of mind. A sum of Rs.45/- a month is realised by way of rents from shops attached to the chattram and the total annual

actual transfer of Funds as above, I shall submit for your approval and orders, a scale of expenditure to be incurred in connection with the charities. A copy of the notes given to the Mysore Commissioner is enclosed. I solicit the favour of early orders in the matter.

I beg leave to remain,

The copy of the objection statement filed by the petitioner in the District Judge's court against the petition of Mrs. Annapurnamma and enclosed to his petition is also submitted.

I have the honor to be,

Mis. No. 40 of 1905-06.

Petitioner. Polepalli Chendrasekharaiah Settyx aged about 17 years Valsya, Avenue Road Bangalore City, by Guardian T. Laksmaiah Setty, Bangalore City.

Opponent. Annapurnamma, widow of Polipalli Visva Murthi, No. 68 Avenue Road , Bangalore City.

UNDER ORDER 47 RULE 1 Read WITH SECTIONS 151 AND 141 of the CODE OF THE CIVIL PROCEDURE.

The petitioner begs to state as follows -

1. In the above case the petitioner begs that the court has passed an order directing the transfer of nearly 13,000/- rupees from the minor's estate to the Mutual Department.

2. The petitioner submits that the order is not a valid one in the miscellaneous case not called for in by the circumstances of the case and has been obtained by the minor's adaptation mother (ol parent) without any regard to the minorbs well fare just to spite him and cause loss.

3. The said adoptive mother Annapurnamma who has been managing the minor's properties has to account for a considerable amount to the minor's as the income of the properties themselves is very large.

4. The manor will be seriously prejudiced if the present order is given effect to without its being properly and effectively heard.

5. The petitioner will file a detailed application if necessary after getting ~~necessary~~ copies of the previous proceedings and the will of the deceased. There is absolutely no occasion or justification by which the minor petitioner is just about to attain majority by 1-2-1907 the adoptive mother of the petitioner should rush to court in her such hurry to get rid of such xx a large slice of minor's property and go shopping at one the expense of the minor without first accounting to him.

6. Therefore the petitioner prays that the last order dated 3rd September 1905 may be reviewed and the order of transfer of the monies re-called.

RE: THE TRANSFER OF RUPEES 13000/-TO THE- - MUZARAI FUNDS FROM THE SAVINGS BANK BOOK NO. 3359 DEPOSITED BY LATE MR. NARASIMHAIAH SETTY AND LEFT AS SECURITY IN MIS.NO.40 of 1905-06 ON THE FILE OF THE DISTRICT JUDGE.BANGALORE.

In this connection the petitioner begs - to bring to your kind consideration a few facts in brief as under :-

1. That at the time of the death of the - - - petitioner's late grand-father Mr. Narasimhaiah setty he left properties(both movable and immovable)to the extent of three to four lakhs worth to the care of- the petitioner's adoptive mother Mrs. Annapurnamma - with the object of bringing the Estate into flurish- -ing condition and to perform the necessary acts - - required for the maintainance of this Endovement ~~Fund~~ founded by him.

2. It is nearly 12 years since the Estate was thus placed in the hands of the petitioner s adoptive mother Mrs. Annapurnamma. The Income of the Estate -

per

per year as the petitioner estimates, may not less than be four to five thousand rupees a year. After deducting expenses required for the maintainance of the family - - and Estate (according to the status of the family) - - there should have been a nett income at least of about - three thousand rupees a year which amount to Rs.36000/- for the last twelve years.

4. The petitioner further begs to submit that he - is entitled to examine and go into the details with regard to the management of his Estate by his mother ~~xxxxxxxxxxx~~ during the period of his minority on his attaining majority by the 1st of February 1926, and his adoptive mother has to give a true and correct accout of her management of the Estate.

5. The petitioner now understands that his adoptive mother Mrs. Annapurnamma has recently applied to the - - District Judge, Bangalore, for a transfer of the sum of - Rs.13000/- to the Muzarai funds out of the savings amount in Pass Book No. 3359 wherein the petitioner's late grand-father Mr. Narasimhaiah Setty deposited certain amount - - and placed the said Pass Book as security for getting a - - succession certificate in Mis No. 40 of 05-06 on the file of the District Judge, Bangalore, and obtained an order - of transfer on the 23rd September 1925 without the know - -ledge and consent of the petitioner. The said Mrs. ---- Annapuranamma has now rushed into Court to obtain this relief with the sole object of screening herself from - the responsibility to accout to the petitioner about the Income of the Estate, and of late the petitioner understands

that

Sent from the Mar. Comms office.

that the Estate is not properly managed by her and he has every reason to think so from her behavior and - attitudes towards this petitoner. If at all she had a nobler object in performing the necessary acts to establish the charities founded by our ancesstors as stated to you in her petition dated the 7th July 1925, she would have completed this endovement long ago from paying in instalments of about Rs.2000/- a year or so out of the Income from the Estate as was suggested by late Mr. Narasimhaiah setty in one his proposals to - Government and there was no necessity or urgency for her in rushing to the Court to seek such relief, while she knew well the fact of the petitioner's attaining - majority very early by 1st of Feb 1926.

6. The petitioner has filed an application in the Court of the District Judge, Bangalore on the 18th instant praying for a review of the transfer - order passed on the 23rd Ultimo and to cancel the - order of monies transferred; the said application is still pending and the petitioner begs to submit here--with a copy of his petition for favour of your kind perusal.

7. There is no necessity or reason for - - the transfer of such a large sum out of the Estate of the minor all of a sudden thus depleting the Estate - to an enbarrasing extent. The said Mrs. Annapurnamma has no right to transfer the same as the annual instal ments would well have been paid out of the annual Income of Rs.3000/-.

8. The petitioner further begs to submit that he

he is ready and willing to carry out the intentions of his ancessors with regard to the maintaining of the - charities founded by them and will also try to improve the same as much as possible. As the minor is about to attain majority within a few months the transfer now contempleated by the said Mrs. Annapurnamma is neither just nor bonafide and the petitioner will have every right to question its validity on his attaining majority in 1926.

9. Under the foregoing circumstances the - - petitioner most respectfullv prays that all further - - proceedings in this connection may be ordered to be - - deferred until the minor attains majority and his affairs are settled.

Honoured Sir,

In continuation of previous correspondence on the subject of the Management of 'Polepalli Narasimha Setty's Charities, Bangalore, I beg leave to submit herewith, in original, copy of the order in Misc No 40 of 1905-6 dated 23-9-1925 on the File of the District Judge's Court, Bangalore, sanctioning the transfer of ₹ 17,000 to the Muzarai Department, in persuance of the intentions of the late donors viz., my father-in-law and his younger brother.

As the previous management has not been able to fulfil the generous intentions of the late donors and to completing the endowment owing to apathy and wanton indifference of the managing member, the stipulated charities have not at all been conducted satisfactorily so far. As soon as I came to know the mismanagement by Dasti Narsappa, I interfered in the matter. I applied to the District Court as the guardian of the minor and got an order for the transfer of ₹ 13,000, as per accompanying order copy. As the eldest living member of the family it grieves me very much to see the mismanaged state of affairs and the non-performance of the services. I beg, therefore, that the transfer so kindly ordered by the Court may be arranged to be given immediate effect and the Comptroller to the Government may be requested

requested to make the necessary book adjustments, in consultation with the District Judge, if necessary. That my adopted son will attain majority very soon and that until then things might be left alone as at present seems to me to be no argument for a continued mismanagement of the Charities. Even granting that he will attain majority very soon he cannot, in fairness, post-pone sine-die completing the endowment which will be the first charge upon his assets and that in this view the action now taken by me in my capacity as his guardian and mother is as much binding upon him as if it were done by himself. Moreover the money now in the hands of the court is the propdty of the late Lr ~~Narasimhiah~~ Narayana ~~Setty~~ Swami Setty, brother of Lj Narasimhiah Setty and either my son or myself will be entitled only to so much amount as will remain after disposals are made in conformity of the last will and testament. For these considerations I beg that immediate steps may graciously be taken to add the amount to the corpus of the endowment and thereby resuscitate the Charities. I beg further that a committee consisting myself as Chairman and my son as Secretary may be appointed for the efficient working of the Chattral and connected charities, and the half-yearly interest made payable on bills drawn by me, subject, however to the rules governing Charitable Deposits at favourable rate of interest. On receipt of orders, I shall submit the personnel of the committee, for the approval of Government. I shall feel ever grateful to you for favour of irrediate action and favourable orders.

I beg to remain,

honoured Sir,

Petition of [illegible]

Sir,

I beg to state that my adoptive son has, I hear, presented a petition requesting that the sum of Rs 13,000 which is in the District Judge's Court under transfer to the Fund of Polepalli Narasimmiah Setty's Charitable Fund, may be advanced to him on certain favourable conditions.

In this connection, I beg to state that he has been induced by his father-in-law, Mr Thalam Lakshmiah Setty to obtain the amount somehow or other and to spend it at their pleasure without having any consideration for the fulfilment of the Charities established by his ancestors. The interest now realised on the present investments is not adequate to conduct the Charities stipulated by my father-in-law, to the entire satisfaction.

When this is the case, if the money set up for the purpose is returned to my adoptive son, he, on account of his immature understanding of things, will waste the money out, thereby not fulfilling our parents' desires. He, it appears, has said to convert the charitable deposit into 6½% or some other State Loan Bonds which fetch him a higher interest.

From this it is evident that the present interest

cannot suffice for the regular conduct of the Charitmes.

In these circumstances, I humbly request you not to consider the request of my adoptive son who, by his immature understanding, is following the speculating ways of his father-in-law and allow him to have the amount.

I beg to remain,

Sir,

OFFICE OF THE MUZRAI COMMISSIONER
IN MYSORE,

Bangalore,...2nd...February.....

FROM.

MUZRAI COMMISSIONER IN MYSORE.

To

The Deputy Commissioner,
Bangalore District.

SIR,

With reference to correspondence ending with your letter No. C-3-1477-25 dated 20th December 1926 regarding the future management of the charities founded by the late Mr. Polepalli Narasimha Setty, I have the honor to state that before any orders could be passed in the matter the legal position of the contending parties has to be -- made definite.

The late donor Mr. Narasimha Setty desired that after him the Charities should be managed by his sons-in-law and his uncle's ---- grandson (vide statement dated 19th January 1909 and para 1 of ----- Government Order dated 26th January 1910). From the very commencement only Donti Narayana Setty, one of the sons-in-law is managing the charities and there is absolutely no information whether any of the other managers mentioned by the late Mr. Narasimha Setty are surviving and if so, whether they have any voice in the administration of the chattram and other connected charities.

3. Subsequently at the request of the donor's grandson (then a minor) and his daughter-in-law, Government in their order No.339-3/ M.F.453-17-2 dated 14th March 1918 directed that the interest on the endowment be paid to Donti Narayana Setty, the natural father of the minor.

4. From the above seems to follow that the arrangements ---- contemplated in the Government Order of the 26th January 1910 for the management of the Charities after the demise of Mr. Narasimha Setty were superseded by the order of the 14th March 1918 and Donti ----

Narayana Setty

Narayana Setty continued to manage the charities during the minority of the donor's grandson not in his capacity as manager nominated by the late Mr.Narasimha Setty but on behalf of the minor and his adoptive mother. In this view, the contention of Donti Narayana Setty that he has been managing the charities as per desire of hi father-in-law and that Chandrasekhara Setty has no manner of right over the chattram and its endowment seems to be ---- particularly when the former consented to act as manager and receive the half-yearly interest during the minority of the latter.

5. As already observed by Government, the Muzrai Department has no interest in the affair except to see that suitable arrangements are made for the management of the charities and that the income from the endowed amount is properly utilized. There seems to be no --- provision of law under which Government in the Muzrai Department can ask Donti Narayana Setti to surrender to Chandrasekhara Setti the accounts and the possession of the chattram which is not under --- Government management.

6. In these circumstances, I am of opinion that it may be left to the Parties themselves to settle their dispute and establish respective rights in a competent Court of Law, the interest on the endowment, in the meanwhile, being ordered to accumulate without -- payment to either party. Donti Narayana Setty and Chandrasekara Setty may be informed accordingly.

The enclosures are returned.

I have the honour to be,

Sir,

Your most obedient servant,
